Forty-Seven Apply for B. S. Degree; Free For the A. B.

One Have Applied For
the Sixty Hour Cer-
tificates.

Below Last Year

Diplomas Will Not Be Issued
After the Close of the
Summer Session

Announcement has recently been made by the Registrar, Miss Nell Smith, of the names and addresses of the students who are applying for degrees and certificates at the close of the Spring Quarter. Twenty-seven students are applying for the Bachelor of Science degree; thirty-seven students are applying for the Bachelor of Arts degree; and three students are applying for the Bachelor of Education degree. The names and addresses of the applicants are given below:

Applicants for the Sixty-Hour Life Diploma Spring Quarter 1934
M. Anderson, Hopkins, Mo.
Bentley, Watson, Mo.
Frances Davis, Northboro, Mo.
Engelhart, Gallatin, Mo.
Lorene Evans, Maryville, Mo.

For the B. S. Degree:
Fordyce, Ridgeway, Mo.
A. Fothergill, Rosendale, Mo.
Mae Grier, Gower, Mo.
Gladys King, Maryville, Mo.
M. Mires, Maryville, Mo.
D. Myer, Mercer, Mo.
L. O'Day, Maryville, Mo.
Farmer, Martinsville, Mo.
Thompson, Maryville, Mo.

For the A. B. Degree:
Trotter, Hamilton, Mo.
Alton, Maryville, Mo.
H. Wilson, Oregon, Mo.
Marie Withrow, Thurman, Mo.
Young, Maryville, Mo.

For the Sixty Hour Elementary Certificates:
Aldrich, Elmo, Mo.
Marie Bassett, Skidmore, Mo.
R. Bloom, Shenandoah, Ia.

Department of Education Prepares Students For a Teaching Career

The purpose of the Department of Education in any institution is to enable the student to grasp the fundamentals of professional knowledge and to acquire the necessary skills for successful teaching in any field. In a teacher's preparation, the department of Education is the nucleus of the institution about which all other departments revolve. A teacher needs a broad background that he can draw upon in the vast fields of knowledge, but he must also know how to adapt this knowledge to the level of the pupils in what position he teaches. He must know what to teach, but he must also know the best way to teach. He must know the basic principles of education and no less than the basic principles of teaching. He must know the psychology of the child or the child and the psychology of subject matter. He must have knowledge of the methods of presentation to the individual needs of those he teaches. He must know the development of the educational process; he must know that education is a dynamic process and for this reason must be professionally minded, must be open to the new and when found worthy weigh it with the old and that which is best for the individual development of pupils.

Our instruction, courses in education, offered by the various members of the department, are organized to meet the needs of students who desire to specialize in the several fields of teaching: rural, kindergarten and primary, intermediate, junior and high school. In each of these courses in methods of teaching are given. Courses are also offered in education, administration, psychology and principles of education, guidance and extra-curricular activities.

The college maintains on the campus the supervision of the head of the Department of Education and its members of the staff, a school of intermediate and elementary grades. In the school, students fulfilling the necessary requirements, does five years of teaching before receiving the degree of Bachelor of Science in Education. This affords actual experience in teaching under supervision of specialists in their fields.

WELCOME S. T. C. GRADUATES AND FORMER STUDENTS

Visit the College Alumni Office, Room 212, while you are in Maryville for the contests. Leave items for the Alumni columns of the Northwest Missourian about your friends who are former S. T. C. Students.

Former students are invited to pay the Association Dues for the current year or to purchase a Life Membership, which now may be had, in the Alumni Association.

YOUR ASSOCIATION NEEDS YOUR SUPPORT NOW!

All former students should make an attempt to visit the College Camps at least once each year. An ideal time to visit the College is during Commencement Week.

COMMENCEMENT WEEK IS MAY 20-MAY 25

May 20, Sunday — Baccalaureate Sermon.

May 23, Wednesday — Senior Breakfast. Presidents Reception. Class Day Exercises.

May 24, Thursday—10:00 a. m. Commencement.

May 24, Thursday Evening—Alumni at Dinner.

Mask and Gavel Club Shows Wide Range in Summary of Years Work

Cambridge Debaters Are In- cluded in List of Oppo- nents.

Speech Council Governs Activities
of Mask and Gavel
Club.

A successful season of pleasurable and educational activities by the Mask and Gavel Club, sponsored by the Department of Speech to foster speech activities on and off the campus, is announced as the end of the regular school year approaches.

Outstandings have been this year's annual fall play, the scintillating romantic comedy, "Adam and Eve" by Guy Bolton and George Middleton; the radio broadcasts; and the debate with Cambridge University of England, and the debate tours which extended through ten states meeting the state universities of Missouri, Nebraska, South Dakota and North Dakota and other colleges and universities for a total of more than fifty interesting forensic contests.

Invitations, accepted or being considered, asking that the Club bring them extension programs in the near future are on file from KMA, radio station in Shenandoah, the Liberty High School, the State Hospital at St. Joseph; and the Rebekah Lodge, Rotary Club, Tourist Department of the Twentieth Century Club, and the Women's Council of the Christian church of Maryville.

Weekly Club programs have consisted of one-act plays, dramatic readings, musical and dance solos, extemporaneous speeches, informal debates, and parliamentary discussions. Public local and (Continued on Page 2)

Sigma Tau Gamma Frat Has Been on Campus Seven Years April 2

The Sigma Tau Gamma is a national social fraternity limited to the Teachers Colleges in the United States. The first chapter of Sigma Tau Gamma was founded at Warrensburg, Missouri in June 1920.

The Sigma Tau Gamma Chapter in Maryville was founded April 2, 1927, when a group of fourteen men of Northwest Missouri State Teachers College saw fit that a fraternity such as the Sigma Tau Gamma should be organized. So with the high ideals of the Sigma Tau Gamma in view, this fraternity was founded.

Since the first chapter of this fraternity was organized, it has grown into an organization of seventeen chapters, located in eleven states. The total membership of the national organization has now reached 2,245 and is growing rapidly.

At present in the Maryville chapter there are twenty-three members and eleven pledges.

The officers for the school year of 1934 and 1935 consist of the following: James Ottman, Fairfax, Mo.; President; Ford Bradley, Maryville, Mo., Vice-President; Max Stalcup, Oregon, Mo., House Manager; Lois Grah, St. Joseph, Mo., Secretary.

To the high school students, here for the contests, the entire chapter extends a cordial invitation to visit. The house, located at 523 West 4th street, You will always be welcome.

Oscar Wildes Play Chosen For This Years Senior Play

"The Importance of Being
Earnest" Chosen.

Given May 22

Cast Chosen From An All-Senior
Group According to
Traditions

"The Importance of Being Earnest," one of the most famous of Oscar Wilde's social comedies has been announced as the production in which the Senior Class will, on the evening of Tuesday, May 22, present an all star chosen solely from among the members of the Class of 1934.

Stars of former local campus productions and prominent leaders of other campus activities make up the personnel of the cast, it is stated by Professor Miller, who is directing the play, while a large staff is busy itself with the staging for which, it is announced, at least one complete new set done in futuristic or modernistic design will be constructed. Students will be admitted to the performance on their minor activity coupons.

The cast is as follows:

John Worthing, J. P.—Edward Morgan, (Gallatin).

Algernon Moncreiff—Jr. Porterfield, (Lock Springs).

Rev. Canon Chausable—Wendell Dalby, (Hepburn, Ia.).

Merriman, butler—Milo Porterfield, (Clearmont).

Lady Bracknell—Eudora Smith, (Maryville).

Lane, man servant—Jr. Rowan, (Maryville).

Hon. Gwendolen Fairfax—Cecil Gist, (Albany).

Cecil Cardew—Maxine Strickland, (Clarinda).

Miss Prism, governess—Ruth Stewart, (Washington, Ia.).

The staff is as follows:

Student Director—Eudora Smith, (Maryville).

Make-up Artist—Cecil Gist, (Albany).

Wardrobe Mistress—Faye Sutton, (Maryville).

Stage Manager—Milo Porterfield, (Clearmont).

Electrician—Charles Hurley, (Secretary, Md.).

Science Artist—William Stilwell, (Maryville).

Property Man—Buford Clark, (Maryville).

House Manager—William Persons, (Maryville).

Publicity Manager—Robert Mutti, (Hopkins).

Courtesy Lady—Mildred Stuart, (Maryville).

Student Senate Rounds Out Twelve Years of Successful Work

This is the twelfth year that the Student Government Association has functioned on the campus. The executive powers are vested in the President, the Vice-President, and the Secretary-treasurer. The legislative and judicial powers of the Association are vested in the Student Senate which is composed of the President and Vice-President of the Association, together with three members from each of the three upper classes and two members from the Freshman class.

The purpose of the Association is to cultivate loyalty to the College, to encourage high standards of life and scholarship, to inculcate and foster college ideals and traditions, and to co-operate with the governing bodies of the College on all matters pertaining to the welfare of the Student Body which come within the jurisdiction of the Association.

The constitution of the Association gives the Senate control of all general campus activities. This includes student parades and pep rallies, of granting permission—with approval of the administration—for the formation of new organizations on the campus, control and supervision of all college elections, and control—in conjunction with the proper College authorities—of all student social functions under the activity calendar.

The Senate has had a very successful year, one marked with many activities that have added to the life of the students. Last fall the incoming Freshmen were greeted by a committee composed of upper classmen who helped the Freshmen to enroll. A rally was held in the Gymnasium for Freshmen a few nights later, at which time a committee taught them the school yells and the Alma Mater. The football season saw one of the greatest pep programs ever worked out by the students. At the beginning of the second quarter, sev-

(Continued on Page Four)

The annual Mother's Day on the campus has been set for Friday, May 11. Aside from the regular dinner at the Residence Hall and a downtown church, several of the campus organizations are planning to entertain the mothers with an evening dinner previous to the presentation of the annual May Festival, Peter Pan.

Sigma Sigma Sigma Observes Founders Day With Banquet

Annual Event Held Last
Week at Christian
Church.

Alumni and Guests Attended Program
and Dinner in Honor Of
Founder

Founders' Day of the Sigma Sigma Sorority was observed by the Alpha Epsilon chapter with a banquet at 6:30 o'clock April 20 at the First Christian Church. The T shaped table was decorated in the sorority colors of royal purple and white, with a stripe of purple down the center on which were white tapers in crystal holders. The center piece was a large birthday cake, which held thirty-six candles. This was replaced by a bowl of purple violets, the sorority flower. The menu and programs were in purple folders decorated with silver stars, the same idea being used on the place cards.

The following program with "Constellations" as the theme was given, with Miss Margaret Humphrys, president of the active chapter, acting as toastmistress.

Sorority songs were sung. The toasts were "Sigma Sigma Sigma-Firmament" by Miss Emma Ruth Bellows; "Founders Alpha Stars" by Miss Charlotte Clapham; "Mable Lee Walton-Sun" by Miss Nell Hudson; "National Council-Planets" by Miss Jean Montgomery; "National Chairmen-Planetoids" by Miss Mildred Clardy; "Active Chapter-Constellations" by Miss Helen Kramer; "Alumnae-Milky Way" by Miss Marceline Cooper; "Omega-Evening Star" by Miss Lucy Lloyd and "Library-Moon" by Miss Medford McFall. A vocal solo was sung by Miss Louise Gutting, accompanied by Miss Lloyd. Miss Ethel Waitman of Mound City, national chairman of the Endowment Committee, a guest, also spoke.

Additional guests were Mrs. Dale Bellows, Mrs. Mamie E. Clardy, Mrs. John Rush of Barnard, Mrs. H. W. Kramer, Mrs. G. E. Sutton, Mrs. E. E. Lloyd, Mrs. L. O. Guting, Mrs. A. H. Coper and Mrs. E. H. Alkire.

Alumnae present were Mrs. Homer (Continued on Page Four)

Social Science Club Sponsored Many Speakers For Student Groups

Social Science Club is an organization composed of students who are interested in the vital social, political and economic problems which confront us today, and their various ramifications. A sincere interest in these problems is the only pre-requisite to club membership.

The club was founded about ten years ago by a group of Social Science majors and minors under the surveillance of the Social Science Faculty. The club has had a continual growth since that time. The average attendance at the meetings this quarter has been above seventy-five. During the last few years, the students have had absolute control over the club. The faculty members have shown a very cooperative attitude towards the club and have contributed largely to its success.

The club meets weekly on Tuesday nights. The programs are varied so that all angles of the various problems may be reviewed. Book reviews, debates, and interesting talks followed by group discussions constitute the programs. This year the club has heard speakers from many different vocations.

Club members and faculty members have reviewed modern books. Several debates on current problems have been held with club members participating.

The officers are elected at the beginning of each quarter. The present officers are: Edward Morgan, Gallatin, Mo., President; Dwight Dalbey, Heppburn, Iowa, Vice-President; Francis Seglsman, Maryville, Secretary and Treasurer; and John Timmons, Wheeling, Publicity Director.

All persons interested in current problems, especially Social Science Majors and minors are urged to join this club. It will afford the student an excellent opportunity of extending his class room learning into the realms of practical use in interesting situations.

May Festival to Be Presented For Mothers on May 11

Twenty-Seven Dance Cycles
Scheduled For the
Production.

Blackwell Has Lead

Enormous Setting Is Being Built
For Production Next
Month.

Under the direction of Miss Nell Martindale, Head of the Women's Department of Physical Education, the annual May Festival for 1934 is rounding out. Nearly all of the 27 dance cycles in the routine of the present manuscript are practically completed. The elaborate costuming is well on its way towards completion for the dress rehearsal Saturday night, May 5, according to a statement by Miss Martindale, this week.

The cast of characters has at its head Nell Reid Blackwell, Lexington, Mo., playing the part of Peter Pan, and Doris Logan, Maryville, Mo., cast as Wendy. The Tiger Lily will be taken by Elender Hardin, Albany, Missouri and the Little Panther will be played by Richard Barrett, of Skidmore, Mo. Tinker Bell will be played by Helen Grace of Albany, and Captain Hook by Orville Johnson, Fillmore, Mo.

Peter Pan, the child who never grew up, will present the history of his life to the audience May 11 and 12 before the largest setting ever built for a May Festival here.

The set is being constructed by the Industrial Arts Department under the direction of Prof. Donald Valk. William Stilwell a student in the College and a major in the department of Art, is painting the scenery. The major set presents the Never Never Land, and a house from which the children fly away. Four of the children in the cast will make a flight through space from their home in the clouds.

The program of dances is lead by the Fairy Dance with a chorus of 125 students of the Training School and College. This is followed by a Dance of the Gnomes danced by sixty boys from College High. Dance number three will be a dance of the Wood Sprites danced by 35 College Girls. This dance will be followed by a dance by Peter and Wendy. The Indian Dance Cycle includes a series of three dances. The first a solo by the Tiger Lily. The second, a solo by the Little Panther, and the third by the sixty Totem Poles. The Indian dances will be followed by the dance of the Mermaids and Peter Pan's solo. The Pirate dance led by Captain Hook will be followed by the dance of the Calen-

Music Department Has Shown Development This Year Under C. J. Velle

The music department at the College has had an active year under the direction of C. James Velle. This department tries not only to offer courses which are of special interest to those majoring in music, but to provide a means of expression for all students interested in music or in any of its phases.

The Colleges Chorus under the direction of Herman Schuster sang Maunders "Song of Thanksgiving" in November and augmented by singers from surrounding towns sang Handel's "Messiah" last month.

The College orchestra under the direction of Maurice Wright has given an assembly program and also played the accompaniment for the Messiah. The band has shown excellent progress under Mr. Wright's direction and played for all the football and basketball games. This organization has also given two assembly programs.

A new organization on the campus this year is the "Maryville Singers" under Mr. Velle's direction. These singers have made several assembly appearances and are giving a complete program next month. The major part of their work is done a cappella and it is all done from memory.

The College male quartet has been especially active this year, having made over eighty appearances. Two piano students of William Holldridge, Helen, Gaugh and Donald Johnson, are giving recitals early in May. Each of these students will play a movement of a concerto accompanied by the College orchestra. Miss Wilma Lewis, a violin student of Miss Ruth Morris is also scheduled for a recital in May.

Many plans are under way for next season and it is the desire of the department that all students have the opportunity to participate in, and enjoy good music.

Y. W. C. A. Promotes a Fellowship in the Program For This Year

Under the direction of Miss Olive DeLuce head of the Department of Fine and Industrial Arts the Y. W. C. A. has tendered to further the fellowship among the young women of the campus and create wholesome entertainment for their benefit. The Y. W. sponsors Pot Luck Supper, Hut Parties, Gospel team trips and chum parties. Special projects have been undertaken this year by the Y. W. in an effort to maintain its hut in the college park. These have met with unusual success, and similar projects are planned for the future.

The officers of the organization this year are: President—Miss Eudora Smith (Maryville), Vice-President—Fay Sutton (Maryville), Secretary—Lydia Hansen (North Kansas City, Mo.), Treasurer—Rose Graves (Maryville).

Charles Thomas, a graduate of the College, who is teaching at Ovid, Colorado, is planning to take his high school band to the state contests in music to be held at Denver, Colorado, on May 9. Last year the Ovid Band, directed by Mr. Thomas, placed second in the state contests.

Debate Summary For This Year Shows a Comprehensive Gain

Merrigan Is Initiated Into Pi
Kappa Delta Fraternity.

Trip Made in February Through
Five States With Team
of Four

The latest initiate of the local Missouri Kappa chapter of Pi Kappa Delta, national honorary forensic fraternity, is C. J. Merrigan (Maryville). Mr. Merrigan was a member of the local debate team which met the debaters from Cambridge University, England in the opening event of this year's debate season. He was elected to Pi Kappa Delta shortly after the Cambridge debate but was unable to be present on other occasions when initiation ceremonies were held for Edward Morgan (Gallatin), his partner in the Cambridge Debate, Dwight Dalbey (Hepburn, Ia.), John Timmons (Wheeling), and Harry M. Lyle (Maryville).

Messrs. Morgan and Dalby participated in the national speech tournament held recently in conjunction with the national convention of Pi Kappa Delta at Lexington, Kentucky. They also met the University of Missouri and other colleges of Missouri, Illinois, and Kentucky while enroute and colleges from Maine, Wisconsin, Ohio, and South Dakota at the convention.

In February of this year these men accompanied by John Timmons, Harry Lyle and Professor Miller, sponsor of the local chapter, made the northern debate tour meeting the state universities of Nebraska (radio broadcast), South Dakota, North Dakota and ten other state and denominational (Continued on Page 6.)

Progressive Group Has Built Residence Hall Association Up

Residence Hall Association for girls, is one of the leading organizations on the campus. It is patterned after the student government, with a president, vice-president, secretary, treasurer, and a council consisting of twelve members, elected every quarter. The officers for this year are Estelle Hunter, Grant City, president; Georgia Schulte, Oregon, Vice-President; Louise Bauer, Stewartville, secretary; Frances Shively, Hamilton, Treasurer. Miss Margaret Stevenson is social director, and Miss Estelle Campbell is house director.

During this year, Residence Hall has been the leader in a group of social activities, including an invitation dance each quarter, among other informal dances. The faculty has been entertained at various times at formal dinners and formal buffet suppers.

There have been a number of bridge parties and pajama breakfasts for the girls of Residence Hall. During the winter quarter a tea was given for Miss Selma Eckrim, Turkish feminist leader, and a reception was given for Miss Christine Goff, Contralto. This year for the first time, a carnival was held, from the proceeds of which an original watercolor was brought, and the silver service was supplemented. It is hoped that the carnival will be made an annual affair. The principal activities of the remaining five weeks are, a spring formal, a tea for Mothers on Mothers' Day, and a formal dinner for the Senior girls.

Spring Contests Open With Class C Music Events

Annual Program of College
Gets Under Way on
Regular Schedule.

Contestants Swarm in

Large Number Here Now and Others
Will Arrive Tonight and Friday;
Many Events Tomorrow.

BULLETIN

Play production finals, Auditorium. (Continued on Page 6.)

One Act Play Is Given by Professor Miller's Speech Education Class

Members of the Interpretive Speech and Fundamentals of Speech Education classes of the Department of Speech presented the one-act play, "The Dream," by Harriet Slater, on the program of the local chapter of the Rebekah Lodge given last evening in commemoration of the one hundredth anniversary of the founding of that organization. Those who appeared together with the part they played are as follows: Tom Robertson—John Noblet (Maryville).

Jim Dean, Tom's friend—Charles Hagee (Pickering).

Mary Robertson, Tom's sister—Mrs. Janet Pace Hicks (Maryville).

Spirit of Friendship—Louis Bauer (Stewartville).

Spirit of Love—Barbara Zeller (Oregon).

Spirit of Truth—Margaret McCrear (King City).

Spirit of Faith—Mildred Mumford (Westboro).

Spirit of Hope—Beatrice Lemon (Maryville).

Spirit of Charity—Sarah Frances Rowlett (Maryville).

Spirit of Peace—Frances Feen (Jameson).

Spirit of Joy—Virginia Yates (Shenandoah, Ia.).

Spirit of Gladness—Frances (New Hampton, Mo.).

The play was under the direction of Orville O. Miller, Ohio.

Department of Speech.

Margaret McCrear, F.

of the Mask and Gavel Club.

Hicks sang a solo.

part of the play.

Policy

To stand for and demand those things which will aid our fellow students. To establish a better relationship between M. S. T. C. and other educational institutions.

WELCOME CONTESTANTS.

The Northwest Missourian welcomes the contestants to the spring contests and is willing to serve you as an information bureau. If you see a student with a press badge on feel free to ask that person any information you may desire. If they don't know what you want they will be able to tell you where you can get it. Every student in the College is interested in making your visit a pleasant and profitable one.

DOES A COLLEGE EDUCATION PAY?

Every now and then there comes from some uninformed source, the cry that a college education is merely a waste of time for the average individual. With the end of another school year at hand it is timely to consider further education. Planned outlooks make for a wiser choice in the educational field. Have you considered entering college next fall? If not, then lay your plans today for another year's studies. High school seniors often make the mistake of looking for work instead of looking for a further education. It cannot be too strongly urged that a person put in another four or five or even six years getting trained for something definite and not to try to do just anything with a salary attached to it. Those kinds of jobs are always easy to fill, and hard to advance from.

M. S. T. C. offers a four year college education as inexpensively as can be had elsewhere and in most instances even more cheaply. When you are thinking over the school problem consider this college before making a decision. The Maryville State Teachers College is prepared to meet your requirements.

NO MAY QUEEN.

With the rather suddenness of most cold cut announcements, came the word that there would be NO MAY QUEEN THIS YEAR. The senior class all set to elect the queen, were left without any say in the matter. That seems hardly fair, in view of the fact that the election of the May Queen has been a traditional affair for a period of twenty years or more. Are we to lose all of the traditions bound up in the history of the school? We hope NOT but in the past year or two some plain tangles have appeared along those lines.

MY DEAR PUBLIC

Years have slipped by since I dropped you a line. I'm really sorry though. . . People have taken up so much of my time lately just keeping up with them that I haven't had time to write you about it. . . I instance. . . "What a woman!" Veneable managed to have two dates in the same evening and both of the boys found it out. . . She is now the proud possessor of a "date book" furnished by the boys (Chub and Bob). . . No less than a dozen times she has promised not to do it again. . . We'll believe her this once anyway. . . Chub is buying her candy bars too, so it looks like Bob "missed out." . . Elsie Knighton was to be seen in the halls Monday registering for short course and two boys. . . Tough luck how'er has o'er taken the gal and two other girls have taken over her boy friends of last spring. . . Speck Stewart passed the office and I stopped work for a spell to misinform her on enrollment (she was my co-editor in the Bearkitty days). . . J. B. Cummins is among us again after three or four weeks of appendectomy recovery and is the proud owner of a beautiful job of hem-stitching on the tummy. . . The Zimmerman must be getting back to normal now with J. B. back in the fold. . . While along that line. . . why has the much seen Planck of early season become so obscure? . . . And Lucy Mason. . . just had to remain true to the boy friend at home. . . Our red head who was bookstore boss has gone to California. . . And the Ed Morgan was seen looking up a word in Webster. . . Someone should congratulate "Webbie". . . Martindale's "review" seems to be coming along in shape. . . a touch here and there will smoothe the out in good order. . . so with all the visitors on the campus I must stop for other things. . .

Your everseeing servant,

HUMPS

WHO, ME?
YES, YOU!

O-o-o-o-o-o-o-o-o

The Three Little Contestants
You've seen the story of the three little pigs. Well, it's all wrong—Wall Ditz is disney—I mean Walt Disney is Lizzy. It should be about the three little contestants. My dear contestants. My dear contestants one and all, consider yourselves individually the hero or heroine (as your particular case requires) of the story—for 'tis written all for you!

Once upon a time there were three little contestants who were on their way to establish their fame at the Northwest Missouri State Teachers College. The first little contestant met a man with a load of history books. "Please, mister," he said "May I have some of those history books with which to build my fame?" The man kindly gave him the history books and he started to build his fame. Along came the big bad judge. Said he in menacing tones, "Answer my questions youse biological blensh." The little contestant cried, "Of youse is a viper—a vicious viper!" and he could not answer the questions and the big bad judge counted off and counted off and deducted and deducted until the poor little contestant's fame was fole. And then, as the proverbial story goes, the big bad judge voraciously consumed the poor little contestant.

The second little contestant met a man with a load of typewriters. "Please, mister," he asked, "May I have one of those typewriters with which to build my fame?" The man gave him the typewriter and the little contestant started to write with it. Pretty soon along came the big bad judge and with hostile intent, warned the little contestant. "If I catch you making any mistakes I'll vulcanize youse!" "Oh!" cried the little contestant who was quite benumbed with fright, "Youse is a blustering bully." He started to write and made more mistakes than he wrote letters. Of course that was what the judge had hoped would happen for the first little contestant had merely been an appetite. And so, as the proverbial story goes, the big bad judge rapaciously devoured the poor little contestant.

The third little contestant met a man with a load of violins. "Please mister," he said, "May I have one of those violins with which to build my fame?" The man gave him the violin and the little contestant started to play. Now at first, he was a bit rusty with his playing and when the big bad judge came along he was doing rather poorly. "Ah!" thought the big bad judge, "If I only had a bit of butterscotch sauce with which to embellish that poor little contestant I could consider my hunger appeased." Then he made catty remarks to the poor little contestant such as, "If you'd play faster you'd get through quicker," and "You're right in style with them blue notes—blue is all the rage this season." And the little contestant replied, "I hate youse to fragments—youse is chlorine in my lungs—youse is tear gas in my eyes." About this time he began to play as he never played before. He gradually regained the technique he had acquired through a correspondence course and suddenly he swung in to Chopin's sixth or seventh symphony of the Peer Gynt Suit from Lohengrin. Now the big bad wolf was very susceptible to beautiful music and it acted as a narcotic on him. So he hauled out all the medals he had with him and pinned them on the little contestant until he had on so many he looked like a pin cushion. The little contestant played right on and began to lead the big bad judge toward a great big pot of boiling water. Hypnotized as the big bad judge was, he followed the little contestant and when they reached the pot of boiling water the villainous vespid fell in and was simply seething in less than no time. Tough as the big bad judge was, he also proved tough as a main rish but fortunately the little contestant didn't have to depend upon him, for his credit was good the rest of his life. So all together now, do you know the tune? . . . "Who's afraid of the big bad judge, the big bad judge, the big bad judge? Who's afraid of the big bad judge, tra la la la!"

The Department of Speech is featuring, in its offerings for the '34 Summer Session, courses in which teachers-in-training, or teachers-in-service may, under supervision—choose the play and devise the production plans for plays for children or adults, or work upon the actual debate question which they will use in their schools during the coming year. General courses offering personal, practical training in speaking and the fundamentals of speech and oral reading will also be offered this summer.

This department regularly affords, in summer session and throughout the year, opportunity to develop efficiency in the use of speech for utilitarian, social, and artistic purposes in the fields of teaching, other professions, and business. A major in speech and speech education, and minors in business and professional speech, speech education for secondary schools and speech education for elementary schools are offered. All courses offered during the summer will apply on a major or minor in speech.

Twenty Years Ago S. T. C. Started the
Spring Contests For High Schools

HOW IT STARTED

On April 30, 24 years ago, the first Northwest Missouri track and field meet was held under the auspices of the Maryville Normal School by the newly organized Northwest Missouri High School Athletic Association, composed of fourteen high schools.

This year the 25th annual track meet will be held with 73 high schools participating in the various contests in the three-day affair. From that modest beginning in 1910 these contests have developed to the largest competitive gathering of high school students anywhere in the State of Missouri.

St. Joseph Central sent a team here eighteen years ago, accompanied by a huge delegation on a special train and it carried away the meet with 18½ points. One of the thrilling moments of the first meet was the mile, which now has been discontinued. U. Kewley of St. Joseph put on a burst of speed on the straightaway to come in first in 5 minutes and 2 seconds. As he broke the tape he fell unconscious to the ground and it was ten minutes before he was revived.

Chillicothe Runner Up

St. Joseph Central was hard pushed for first honors by Chillicothe, a school which took 50 points. Savannah was third with 11, Rock Port made 9½, Albany 7, Plate City 2, St. Joseph Benton 2, Maryville 1-4, Hopkins 1.

Other high schools which entered athletes were Grant City, Weston, Kearney, Princeton and Maitland.

The meet in 1910 was sponsored by the Maryville Normal School and the meet known as the Fourth Normal district track and field meet.

Since then the College has been made a state institution and changed to the Northwest Missouri State Teachers College. Prizes for the first meet were offered by the business men of Maryville, but now the College gives all the awards. Ed Crum of Bedford, and J. C. Elder of Tarkio were referees.

Two Classes Now

Schools are now divided into two classes. High schools with an attendance of over 150 are in Class B and schools with attendance under 150 are in Class C. The meet is run off in two divisions and the athletes of each division do not compete against each other except in competing for records.

There was no distinction among the schools the first few years of the district meet. At one time the schools were classified into three divisions, A, B, and C, but competed in the same races, and a trophy awarded to the school of each division which amassed the most points.

The 24th Annual meet will be held on the field to the North of the College Administration Building and this will be the last time. The new College athletic field is expected to be ready for use next fall.

MISS KATHERINE HELWIG

Miss Katherine Helwig, of the faculty of the Mathematics Department, who, with Miss Carrie Hopkins, also of the College faculty, will be honored for her twenty-five years of service at the College, at the Alumni Association Dinner, which will be held on Tuesday evening, May 24, at the Residence Hall.

Miss Helwig was born at Trenton, Missouri, where she was graduated from the high school and where she became a teacher, later in the grade schools. Before coming to College, from which she holds the Bachelor of Science Degree, Miss Helwig attended Kirksville State Teachers College, the University of Missouri and the University of Chicago. Recently she has done graduate work at the University of Missouri and at the University of Chicago.

When she first came to the College, Miss Helwig served as supervisor of the seventh and eighth grades in the College Demonstration School. A little later she gave full time to the teaching of mathematics in the College and then for a time she taught classes in mathematics and supervised all the mathematics courses in the Demonstration School. For several years Miss Helwig taught in the College and supervised just the mathematics given in the College School. She is now teaching courses in mathematics and astronomy in the College.

Miss Helwig has taught under four of the five Presidents which the College has had. For a number of years she served as sponsor of the College Y. W. C. A. She mentions that during the time of the World War, while she was sponsor of the Y. W. C. A. that organization made several thousand garments for the Near East Relief. She is a member of the D. A. R., the A. A. U. W., the Eastern Star and the Pi Mu Epsilon, national, graduate fraternity for students of mathematics.

The Mathematics courses for the summer session are given as 5 week courses.

Each course meets twice a day for the five weeks, this giving the credit of 2½ hr. in algebra and 2½ hr. in Trigonometry or a total of five hours in other combinations.

MISS CARRIE HOPKINS

Miss Carrie Elizabeth Hopkins, member of the faculty of the Fine Arts Department, who with Miss Katherine Helwig of the faculty of the Mathematics Department will be honored for her twenty-five years of service at this College, at the Alumni Dinner, Tuesday, May 24, was born near Virginia, Illinois, about twenty miles from the home of Abraham Lincoln at Old Salem.

Miss Hopkins was reared in Page County, Iowa, where she received her elementary school training. She has attended Annapolis College and Drake University in Iowa, Colorado State Normal School, Northwest Missouri State Teachers College, and the University of Chicago.

For some time Miss Hopkins taught in the rural and primary schools in Page County, Iowa, and the primary schools of Maryville. She was for a while principal of the Garfield Ward School in this city. For several years while teaching at the College, Miss Hopkins served as primary supervisor in the College Training School. During the last several years she has been an instructor of art and English.

Miss Hopkins, who lives at 221 West Lincoln Street, is a member of the Maryville Presbyterian Church, the A. A. U. W. and the P. E. O. Sisterhood. At various times she has held all the local offices of the P. E. O. and at one time served as state corresponding secretary for the organization. A large picture of Miss Hopkins will be presented to President Lamkin by the Association for the College.

If you cannot come to College, the College will come to you through its Correspondence Department. Correspondence courses may be taken during the summer months provided you enroll for the work before May 15. Write or call Mr. Bert Cooper, Director of Extension, for detailed information.

Mr. G. H. Colbert, chairman of the Mathematics Department of the College, has a letter this week from L. L. Smith, a graduate of the College, now teaching at Limon, Colorado. Mr. Smith says that almost every time he goes to Denver, he sees some of the Maryville boys who are making quite a name for themselves in an athletic way. He mentions that he saw the Kansas City Stage Lines play the Denver Pigs in Denver a few weeks ago. Mr. Smith has been re-elected to his present position for the coming year.

Prove PopThirty-One Scholastic
Scheduled in Spring
tests at S. T. C.

List Nodaway Entr

County is Well Represented in Commercial, Agricultural and Economics Divisions

The curricular, commercial, agricultural and home economics divisions of the Northwest Missouri high school contests, which were held at the State Teachers College, Thursday, Friday, and Saturday, have received registrations. Thirty-one entries in these four divisions alone are entered in addition to all the forensic, dramatic, art, and contests on the three-day program. Curricular contests appear to grow in popularity. Divisions in this field have large entry lists. A trophy was sent to the school with the number of points in the curricular tests.

Numbers Entered.
The number of schools entered in the curricular, commercial, agricultural, and home economics contests.

First year algebra, 39; planimetry, 31; advanced algebra, 15; bookkeeping and accounting, 11; hand, class A, 9; shorthand, 5; typing, class A, 16; typewriting, 6; Missouri State Typographical Association, 7; general science, 9; biology, 16; chemistry, 22; world history, 27; American history, 31; high school geography, 24; American problems, 24; French, 3; advanced French, 10; general outside reading, 10; grain judging, class A, 2; grain judging, class B, 4; livestock judging, class A, 9; livestock judging, class B, 6; foods, class B, 1; clothing, class A, 3; clothing, class B, 1; clothing garments, class A, 5; clothing garments, class B, 3.

Names of the Nodaway contestants follow:

Elementary French: Edna A. born, Barbara Gray, Maryville. Advanced French: Jesse A. Helen Lett, Maryville.

General Outside Reading: Margaret Helen Reed, Maryville. Ralph Collins, Gerald Mitchell, high, Maryville; William Gaynor; Ralph Mutti, Maryville.

American Problems: Rebecca Cleamont; Eula Bowen, Maryville. College high, Maryville; Donald Cromwell, Elmo; Donald, Velda Shelman, Gary, Mo.; Graham; Ralph Mutti, Baldwin, Hopkins.

Grammar Contests: Grammar: Frances Thompson, Jackson, Maryville; Eddie Marjorie Partridge, College high; Rosalie Barberie, Gary, Mo.; Virgil Gex, Gary, Mo.; Lee Beal, Ruth Jones, Quilley, Mo.; Delma Lee, Maryville; Pauline Meyer, Zola, Mo.; St. Benedict's, Clyde, Mo.

Bookkeeping and Accounting: Rosecrans, Ruth Killam. Joe Manning, LaVena, Mo.; Fred Meyer, Elmo; Benedict's, Clyde.

Shorthand, Class A: Nina Loday, Velma Anderson, Maryville, Mo.; Mary Jane Sline Rose, College high, Maryville. Shorthand, Class B: Ruth Bryant, and Marjorie, Maryville.

Typing, Class A: William the Hamilton, Virginia, Mo.; Gerald Alkire, College high; Helen Morehouse, lam, Ruth Houston, Hopkins. Typing, class B: Helen Lippman, Berneta McKee, Margaret King, Marian Bonhaun, Hopkins.

General Science: Charles Ursle Crockett, Jr., Maryville. Carver, Elmo; Earl McKee, Horn, Hopkins; Byron, Mo.; Kathleen Welch, S. T. C.

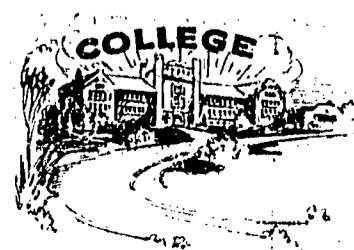

Physics: Helen Hunt, Elmo; Lorena Baldwin, Elmo. Biology: Gertrude Fleece, Gray, Maryville; Elizabeth College high, Maryville; Frances Morris, Graham; Joannette Needham, Hopkins.

Citizenship: Edward Strong, Maryville; Nadene Ethlyn Cowger, Clearmont, Wilson, Mary Louis; Sherry high, Maryville; Betty Holtman, Conception Junction; nadine McCrander, Raymond, Elmo; Earl McCleave, Mo.; Turner, Hopkins; William Quilman; Glendora Lehn, Hord, Skidmore; Clara drew Schnicker, St. Benedict's.

World History: Beverly Ivan Melton, Maryville; Lett, Oleanmont; Marian high and Erwin, College high; Ruby Reed, Royanna Blum, W. Wolfers; Margaret James Barrett, Skidmore.

American History: Frances Quilley, Hooper, Maryville. (Continued on Page 2)

AFTER HIGH SCHOOL—WHAT?

HIGH SCHOOL COMMENCEMENT

College offers the opportunity that the 1934 high school graduate is looking for and prepared for. Consider a college education first.

Athletes to Compete in Track Meet Here Friday

Three Schools Are Entered in District Carnival at S. T. C.

Class B and C

From Schools in This District Largest in Years.

Hundred and eighteen athletes from forty-three schools of nine northwest Missouri counties will meet in the track and field careers today on the College field. Second place winners will be crowned for the state meet at Columbia May 5.

Schools of Northwest Missouri with more than 500 or more are not eligible to enter athletes in class B in the district meet. There are 13 schools entered in the class B meet. The class C schools have enrollments of 150 to 200. From these twelve schools 113 athletes are entered in the track meet. Twenty-one schools listed as class C have enrollments of less than 150 students. There are 205 athletes entered in the class C meet. There are fifteen events in class B. Each school may enter four athletes in each event, with the exception of the relays, but only two can compete. Eight men may be entered for the relays, four of whom will be selected before the event starts.

Preliminaries of the track meet will start at 9 o'clock this morning. The time high hurdles, high jump, shot put and pole vault were held at 9 o'clock. Preliminaries in the running 100-yard dash were held at 9:30 a. m. The 220-yard dash and 440-yard low hurdle preliminaries were held at 10:45 a. m.

Finals will start at 1:30 o'clock this afternoon with the 120-yard high jump, shot put and pole vault. The 100-yard dash will start at this time.

Each school can enter more than sixteen athletes in the track meet. Chillicothe, Trenton and Maryville have the maximum number in the events, while Excelsior Springs has five; Mound City, seven; Safford, thirteen; and Tarkio, fifteen. Dieterich, chairman of the Collegiate Athletic committee, is manager of the meet. He also will act as head of the races. Other officials for the meet are H. L. Raines, head timer; Davis, starter; Wilbur Stalcup, Chester Krause, clerk; M. W. Custodian of the trophies. Members of the M. club will be assisting in clerking separate events and measurements.

Excelsior Springs and Grandview with 25 points each last year won classes B and C respectively. Hershel Neil, was the one-track team of Grandview who accumulated 25 points for his school by firsts in the five events he was entered in.

This year will be the twenty-first running of the district athletic meet.

Maryville High Entries. Entries from Maryville high school are:

Berger, Kenneth Bishop, Arnold, Robert Cockayne, Roland Woodrow DeWitt, Byrl Dickie, John Dowell, Durward Espey, Cody Roy Johnson, Robert Partridge, Theo Raynolds, Don Swearingen, Wendle, Ben Willhoite.

Class B Schools. Entries from Anderson, G. and K. Miles, R. Stone.

Chillicothe—Cooper, Byrd, Gaines, H. Kiblo, Melton, Maser, Partridge, Phillips, Sparling, Ray and Summerville, Walker, Engbert, J. M.

Excelsior Springs—Burke, Brown, Carroll, Dalrymple, Means, Mar- Robert, Sly, Snyder, Williams, Turner.

Grandview—Burge, Johnson.

Grandview City—Duffendack, Marshall, Noland, Scott, Whitehouse, J. W.

Grandview City—Agnew, Ames, Bell, B. and Bowles, Canaday, Harmon, R. and G. Hall, Tyick, Smith, Tucker, W. W. McDonald, Musby.

Grandview City—Gilliland, Livingston, Padgett, Schoonover, Sharp, J. W.

Grandview City—Allen, Bowlin, Brant, Denny, Hartley, Hutchison, K. Gandy, W. and J. Martin, Nicholas, J. W.

Grandview City—Borghier, Hedrick, J. W. Schoades.

Grandview City—Admirer, Brunk, Cunningham, Farmer, Fay, Carpenter, Miller, J. O. Rankin, Prather, Stookey, Turner, White, Twitty.

Grandview City—Allerdice, Brown, Doolin, Fisher, Jolly, Keating, Lutz, Macken, Myers, Roberts, Trainer, W. Wilson, W. Turner.

Class C Schools. Entries from Grandview City—Groom, Githens, Grandview City—Stalling, Carmichael, Go Sharp.

Grandview City—Allen, Dane, Don Davis, Davis, Neely, Owens, Clinton Turner, Turner.

Grandview City—Statts, McAttee, Strickler, J. W.

DeKalb—Bill Davis, F. Davis, Frakes Maget, Murphy, Shelton.

Faucett—Aukler, Colman, E. Farris M. Farris, Henderson, Louterlich McClanahan, Manville, Noble, Page Parr, Reynolds, Warren, Usary.

Forbes—D. Sipes, R. Sipes, Wales, Irish Grove—Vaught, Burke, L. and V. Plumb.

Kearney—Koley, Koler, Morris, McGinness, Mynear, Spicer, Tabor, Tinney.

Lathrop—Carroll, P. and W. Culver, Fox, Greer, Hedges, Lee, McCormack Parman, Stapleton, Walker.

Maitland—William Rush.

Maysville—Clinesmith, Leech, Lincoln, Long, Moorman, Moss, Neil, Owen, Randolph, Riffle, G. and P. Western, Hooper, Ellis.

Norborne—Adams, Coffman, Coleman, Hampton, Moore, Seffens, Stauffer, Vogt, Preston, Beck, Wilson, Williams.

Oak Grove—Hessler, Lauderoute, Myers, Schindler, Swerly, VanCleave.

Oregon—Ramsey, Vandiver, Smith, Gould, Bradford.

Harmony—Doran, Edwards, Flanary, Gilleland, Green, Hawk, Wray.

Halfsburg—Mathis.

Halfsburg—Webb, Price, Musick, Pickett—James, Nelson, Shimer.

Platte City—Anderson, Clark, J. and B. Cockrill, Couch, Hunt, B. and M. Tatum, Yates.

Plattsburg—Ansoms, Campbell, Dykes, Miller.

Ravenwood—Comer, Hawk, Hawley, Larmer, Morin, Newberry, Wildish.

Rushville—Doerfler, Gordon, Huff, Lutz, Smith, Starmer, Willis.

Santa Rosa—Carter, Helms, Rush, Thurber, Yocum.

Skidmore—Ashbrook, Appleman, Bartram, W. and C. Barrett, Bodie, Manning, McClurg, Yates, Goslee, Winger, Strickler.

Westboro—Herrick, Smith, Nuckolls, Brame, Layden, Johnson, Layden, Plinnical.

Weston—Allison, Canadian, Fellows, Johnson, Keene, Miller, Murphy, Newton, Riley, Spratt, Stephens, Thomas, Williams, Francis Williams.

M. H. S. Judging Team in Victory Over Mound City

Five Maryville Boys Finish Ahead of First Mound City Livestock Judge.

The Maryville high school livestock judging team defeated Mound City for the fourth straight year in a contest held at Mound City Monday. Maryville's average score was 445.5 to 401.7 by Mound City.

Ben Willhoite led the M. H. S. team with a score of 510. Four other Maryville high boys tied for second place. They were Glenn Belt, Delbert Dowden, Jimmie Shanks, and Ray Masters, all of whom made 495.

Joe Conley, Lawrence Jackson, Don Mozingo, Jimmie Neilsen, Robert Partridge, Chester Kime and three Mound City boys all tied for third place. Classes of horses, mules, dairy cows, sheep and hogs were judged.

Following the judging two basketball games were played by the Future Farmers teams. One game was between non-lettermen and the other between lettermen. Maryville lost both. The non-letter men were defeated 5 to 7 and the lettermen 8 to 16. Dowell, Schooler, Mercer, R. Dowell, Seyster, F. Espey, and Kime were the lettermen and Zimmerman, Willhoite, Hagee, D. Espey, Garth Espey, Charles Espey, Jackson, Thompson, and Partridge were on the non-letterman squad.

Those who made the trip to Mound City were:

Leo Baumil, Richard Bracken, Harold Bracken, Glenn Belt, Joe Conley, Douglas Dawson, Kenneth Dowell, Russell Dowell, Lloyd Dowden, Delbert Dowden, Douglas Dempsey, Albert Davis, Charles Espey, Durward Espey, Garth Espey, Fred Espey, Matt Gwinn, Almon Hagee, Vernon Hurst, Lawrence Jackson, Jack Keever, Bobby Kocher, Henry Lambert, Ray Masters, Forrest Mounts, Marvin Seyster, Don Mozingo, Norris Dale McGinnis, Jimmie Neilsen, Robert Partridge, Junior Ray, Jimmie Shanks, Zell Thompson, Harry Wendel, Ben Willhoite, Henry Zimmerman, Chester Kime, Harold Tolbert, Fred Schooler, Eugene Schooler, Ralph Mercer, L. O. Gutting, teacher.

Announce Some of Judges For Contests at College

Some of the judges who have been brought to the State Teachers College campus to judge the Northwest Missouri high school contests are announced by Herbert R. Dieterich, contest manager.

The music events will be judged by Harold Greenlee, director of music in the public schools of Shenandoah, Ia., and by C. Reed Knechtel of Lindsborg, Kan.

Forensic and dramatic contests will be judged by A. B. Joder, editor of the National Plays Magazine; Prof. Carroll, head of the department of speech, Tarkio College; Prof. D. J. Nabors, head of the department of speech, State Teachers College, Peru, Neb., and Mrs. Orville C. Miller, M. A. in speech, Columbia University.

College H. S. Quartet Sings

The College high school quartet, composed of Wilson Thompson, Herschel Jennings, Joe Arthur, and Morris Hubbard, sang this morning before the student body of the State Teachers College as an intermission to the concert by the College band, directed by Maurice Wright. The band concert was well-received by the students.

College Hi Wins Class C Meet at Skidmore High

The high school track team of the Teachers College won the county class C meet at Skidmore Saturday afternoon by winning 59½ points, only eight more points than the runner-up, Skidmore. The meet was held on the recently completed field at the Skidmore high school. Graham was third with 33 points. Barnard took 12 points and Ravenwood 5.

Sipes of Graham won the tennis singles; McClurg and Strickler of Skidmore won the doubles. The summary of the events is as follows:

120 high hurdles—Won by R. Carmichael, College Hi; McClurg, Skidmore, 2nd; Bryan, College Hi and Appleman, Skidmore tied for 3rd and 4th. Time 19.9 sec.

High jump: Won by Goodpasture, Graham; R. Carmichael, College Hi, 2nd; Duncan, Graham, Winger, Skidmore, W. Carmichael, Barnard, tied for 3rd and 4th. Height 5 ft. 1 in.

Shot put—Won by Sipes, Graham; Ashbrook, Skidmore, 2nd; Winger, Skidmore, 3rd; Scott, Graham, 4th. Distance 41 ft. 11¼ in.

100 yard dash—Won by Booth, College Hi; W. Barrett, Skidmore, 2nd; Goforth, Barnard, 3rd; Goodpasture, Graham, 4th. Time 11.7 sec.

880-yard run—Won by Conrad, College Hi; Larmer, Ravenwood, 2nd; Mitchell, College Hi, 3rd; C. Barrett, Skidmore, 4th. Time 2:12.4.

Discus—Won by Ashbrook, Skidmore; Gallagher, College Hi, 2nd; W. Car-

michael, Barnard, 3rd; Stalling, Barnard, 4th. Distance 91 ft. 11 in.

220-yard dash—Won by Sipes, Graham; Bryan, College Hi, 2nd; Harvey, Graham, 3rd; Strickler, Skidmore, 4th. Time 25.5 seconds.

Running broad jump—Won by Ashbrook, Skidmore; W. Carmichael, Barnard, 2nd; Stalling, Barnard, 3rd; Peery, College Hi, 4th. Distance, 18 ft. 1 in.

Javelin—Won by R. Carmichael, College Hi; Goslee, Skidmore, 2nd; E. Carmichael, College Hi, 3rd; E. Barrett, Skidmore, 4th. Distance 138 ft. 1 in.

1 mile run—Won by Hayden, College Hi; Appleman, Skidmore, 2nd; Larmer, Ravenwood, 3rd; Mitchell, College Hi, 4th. Time 5:16.2.

Pole vault—Won by Winger, Skidmore; Appleman, Skidmore, 2nd; Johnson, Clearmont, O'Connell, College Hi, tied for 3rd and 4th. Height 9 ft. 6 in.

440-yard dash—Won by Conrad, College Hi; Goodpasture, Graham, 2nd; Barrett, Skidmore, 3rd; Duncan, Graham, 4th. Time 57.8.

220 low hurdles—Won by Booth, College Hi; Linville, Graham, 2nd; Appleman, Skidmore, 3rd; R. Carmichael, College Hi, 4th. Time 31.2 sec.

Half mile relay—Won by Skidmore; Graham, 2nd; College Hi, 3rd; Barnard, 4th. Time 1:46.6.

Medley relay: Won by College Hi; Graham, 2nd; Skidmore, 3rd. Time 1:50.5.

Orville C. Miller, Chairman of the Department of Speech, served as the expert critic judge for the county declamation contests of Gentry County held Wednesday, April 18 at Albany.

Advertise in the MISSOURIAN.

Alumni Successful in Speech Activities

Speech contestants of the Shenandoah High School, coached by Wilbur Pettigrew and H. Jerome Smith, graduate majors of the Department of Speech of this College, have been unusually successful in all contests in which they have entered.

According to the latest reports their entrant in the humorous reading section of the Iowa State Declamation Contest was first in the district contests which entitles her to participate in the state finals while her colleague entered in the serious reading section won second place in the district.

At the Invitational Speech Tournament held recently under the auspices of Tarkio College the play, "Pink and Patches" and the orator entered by the Pettigrew Smith coaching team were assigned a rank of first place while their young lady entered in humorous reading took second. The Shenandoah play, "Pink and Patches" was adjudged superior and given first place in the class A play production contest of the M-I-N-K (Missouri, Iowa, Nebraska, Kansas) Contests held recently at Peru State Teachers College.

Both Messrs. Pettigrew and Smith have spent much of their spare time during the past two months in judging various speech contests in Omaha, Des Moines, and surrounding territory. Mr. Pettigrew who has been a member of the senior high school faculty at the Shenandoah High School,

teaching speech and history, for the past three years, was recently promoted to the assistant principalship. Mr. Smith is instructor of speech in the junior high school. Both men were quite prominent in speech and other activities on the local campus while students here.

"Gus" Guillems, a graduate of the College, who has been working in Kansas City, was at the College last Friday. Mr. Williams and Dan Blood, who has charge of the College Book Store, left Maryville last Saturday for Oklahoma. The trip may be extended to California.

College Men Aid Production
Carlyle Breckenridge (Turney), major in the Department of Speech, acted as courtesy stage manager for the production of the light opera, "Hansel and Gretel", presented here recently by the American Opera Company under the sponsorship of the Newman Club. Members of the Club who assisted Mr. Breckenridge on the stage were Patrick Dougan (Maryville), John Timmons (Wheeling), Sylvester Keefe (Langford, S. D.), Herbert Enis (Conception Junction), Luke Palumbo (Hubbard, Ohio), Milo Porterfield, also assisted Mr. Breckenridge.

The members of Mask and Gavel Club were pleasantly entertained at their regular meeting Thursday night, March 22, when Clarence Cook, better known to the College students, as "Doc" Cook, manager of the Tivoli Theatre, gave an interesting talk on various phases of the moving picture industry.

Mr. Cook told of his personal experience in seeing certain pictures filmed. First he described the studios as to the size and type of construction then he told how the pictures were taken, giving first hand information as to how the director and assistants conducted themselves, the positions of the various camera men who take a scene. Mr. Cook also explained how snow scenes were made. He then explained how the films were made up from the various shots taken and the way in which they are taken care of.

Mr. Cook has had a great deal of experience in theatre work, having been in the distributing department of both R. K. O. and Pathe Film Corporations. On this phase of the movie industry Mr. Cook gave some very interesting information. While engaged in this work he made personal acquaintance with some of the movie stars. The Club was quite interested in an incense burner which was used in the filming of "Ten Commandments" and which he displayed.

Two members of the Interpretative Reading Class of the Department of Speech also appeared on the program. Miss Beatrice Lemon read "An Order for a Picture" and Miss Louise Bauer "The Highwayman" by Alfred Noyes. The next meeting of the Mask and Gavel Club will be Thursday night, May 3.

Men's Physical Ed Department Has Had Successful Season

The Department of Physical Education and the Coaches of the College take this means of sending greetings to the Seniors and other students of high schools in this district.

With the addition of a full time physician, Dr. Anthony, who will handle our health work and in addition will offer practical courses for those who are interested in physical Education, we feel that we can now offer a complete and well rounded program in Physical Education.

During 1933-34 the Bearcats have had a commendable year in all phases of athletics. In football the Bearcats placed fourth in the conference. The outlook for next year is very bright in view of the fact that only three members of this year's squad were lost through graduation.

In Basketball the Bearcats lost only five games, placed second in the conference. We feel that the season was a successful one in every way. If one could account for the success of the team thru any one thing, that thing would be the fine spirit of comradeship and loyalty which prevailed among the men from the start to the finish of the season. With several lettermen returning and the prospective new material the Bearcats should again equal or excel the above record.

This year's track team promises to be one of the best in our track history. We have defeated Peru, Nebraska, Teachers and Tarkio College this spring. The Bearcats are undoubtedly one of the ranking track teams in the State of Missouri. Last week end our half mile relay team was timed in 1:29 at the Kansas Relays. Our mile relay also made a creditable showing at the relays being clocked in 3:27.5. The Bearcats boast of three 100-yard dash men that have been clocked in less than 10 seconds.

College Boy Builds Model Airplanes For Local Chamber Commerce

R. L. Black, a sophomore in College from Gasland, is developing a hobby which is interesting, timely and remunerative. For a number of years he has been building and designing airplanes, the chief materials consisting of Balsa Wood, which is a very light wood and which comes from South America.

Raymond, who wants to become an aeronautical engineer and designer, has a collection of plans for designing miniature planes which he has been gathering for four years. At the present time he is building a miniature P. 9 C 2, or Curtis Sparrow Hawk plane, which is modeled after the one carried in the Alshup Macon, the Navy's big dirigible.

For the Maryville Chamber of Commerce, Mr. Black is building a replica of the Lindbergh Lockheed Sirius, sea plane, which is now on exhibition in the Museum of Natural History in St. Louis, Mo. This is the plane called "The Winnie", which was flown by the Chinese, Raymond, on a miniature plane for which of athletics at the

College. Some of these planes, which are propelled by strand rubber from eight inches to forty feet in length, are on exhibit in one of the display cases on second floor of the Administration Building, near the College Supply Store.

Sigma Sigma Sigma Social Sorority Is Thirty-Six Years Old

Sigma Sigma Sigma Sorority was founded at the State Teachers College at Farmville, Virginia in 1898 by eight girls. Sigma Delta Chi Sorority has chapters in Maryville, Kirksville and Warrensburg. From this organization was the nucleus for the group which was organized as Alpha Epsilon Chapter of Sigma Sigma Sigma on March 19, 1927, at Maryville College Campus.

Sigma Sigma Sigma is a National Education Sorority and now has thirty-one chapters.

There are fourteen actives and six pledges of Alpha Epsilon Chapter this spring.

The newly elected officers of Alpha Epsilon Chapter of Sigma Sigma Sigma to take office next September are president, Emma Ruth Bellows, of Maryville; vice-president, Marceline Cooper, of Denver, Colorado; Maryville residence at 538 West Second Street; recording secretary, Helen Kramer, 210 Grand Avenue, Maryville; corresponding secretary, Mildred Clardy, 302 West First Street, Maryville; treasurer, Jean Montgomery, 909 West Third Street, Maryville.

The retiring officers are, president, Margaret Humphreys, of Loredo, Mo.; Maryville residence, Residence Hall; vice-president, Helen Morford of Maitland, Missouri; Maryville residence, Residence Hall; recording secretary, Virginia Miller, 510 West First Street, Maryville; corresponding secretary, Faye Sutton, 304 South Walnut Street; treasurer, Marceline Cooper.

The National Founders Day was celebrated by this chapter with a banquet last Thursday evening. The Spring Formal is to be held May 18th.

Miss Mildred Sandison, an Alumna of this chapter and of this College served as toastmistress for the banquet of the Washington, D. C. Alumna Chapter. Mable Lee Walton, National President of Sigma Sigma was present at the banquet. Miss Dorothy Sandison, a former student of this College, who has been working in Washington for the past few months was also present at the Washington, D. C. banquet.

Student Senate Rounds Out Twelve Years of Successful Work

(Continued From Page One) Several long projects were started. The Honor System was one, others include the "Blue Book" on etiquette which is now in the hands of the printers, a plan to get new lockers for the gymnasium, and a set of rules to govern the Northwest Missourian. Various college authorities were consulted on these projects. An all-school party was given each quarter in the West Library. The Senate also helped to get the floor of the West Library refurnished. This spring a new voting system was established for all-school elections.

Service on the Senate affords valuable training in organization, and cooperation with others. To be on the Senate is one of the highest honors that can be bestowed by the student body.

This year, William Yates of Bethany is President, and C. J. Merrigan of Maryville is Vice-President. Francis Sloniker of Maitland was elected President for next year, and Vernon Greene of Independence was elected Vice-President.

Sigma Mu Delta

Gamma chapter of Sigma Mu Delta is a social fraternity whose membership originally consisted of De Molays and Masons. Membership now is limited to those recommended by a DeMolay or a Mason. The organization has for its aim: to build a spirit of brotherhood and democracy among the students; and its purpose is; to promote social welfare, uphold the campus and school traditions, endeavor to raise the scholastic standing of its members, and to create a better and more lasting fraternal friendship. This year Gamma chapter was host to the national convention of the fraternity, and two of its members, Forte Sandison, and John Peterson, were elected to the National Council.

The officers for the next year are: President—John Peterson. Vice-President—Harold Person. Secretary—Lambert Miller. Treasurer—Ralph Westfall. Editor—Walter Redmond. Sgt. Arms—Friedman Glauser.

Summer Bulletins

The new Bulletins for the Summer Term which opens May 31, are now out. Some of them are being mailed out to those who are interested in attending the Summer School. Those interested in receiving a bulletin may have one by inquiring at Room 212 of the Administration office. If those who know of someone who is planning to attend the College this summer and who would like to receive a bulletin, will please leave the name and address of the person, in Room 212 a bulletin will be mailed.

H. R. DIETERICH

H. R. Dieterich, principal of the College High School is again in charge of the Spring Contests. Mr. Dieterich, "Herb" as he is known to those who work with him, is indeed kept busy these days trying to help all of those who have a part in the contests.

"M" Club Maintains a Club Room For Members in College Gymnasium

The "M" Club at Maryville State Teachers College is one of the most active organizations on the campus. Those eligible for membership include winners of major awards in football, basketball, track, and baseball. The organization maintains a club room and lounge on the first floor of the gymnasium where meetings are held bi-monthly. Pictures of winning teams and individual stars of the past number of years may be seen around the walls.

As a rule the "M" men endeavor to sit in a body at all athletic functions. They work in co-operation with the Physical Education Department for the promotion of physical training.

Each year the club plays a very active part in the annual High School Spring Contests. Almost every member is needed to run off the track meets of these contests. This year the "M" Club has taken over the task of organizing and having printed the Spring Contests Programs.

The Club works under the advisement of the coaching staff and the head of the Department of Physical Education. Officers of the club include a president, vice-president, secretary and treasurer.

Elections are held once every year and installations take place in the club room. Elmo Wright is this year's president of the "M" Club—A holder of major awards in three fields of sport and a natural leader, Elmo has served himself well in this capacity.

Any guests of the College during the Spring Contests that desire information of any sort ask a man that wears an "M." He knows.

Pi Gamma Mu

The Pi Gamma Mu, national honorary fraternity devoted to the social sciences, was founded at Winfield, Kansas, in 1914.

The Missouri Beta chapter was established July 29, 1927, at the Northwest Missouri State Teachers College, Maryville, Missouri.

The purpose of Pi Gamma Mu is the inculcation of the ideals of scholarship, scientific attitude, and method and social service in the study of all social problems.

The membership requirement is twenty hours of social science work with an A average.

During the past year Pi Gamma Mu has met jointly with the social science club. The present officers are President, Mary Hornbuckle; secretary and treasurer, Dr. Dildine.

Admiral Richard Evelyn Byrd was made the first Honorary National President at the national convention in New Orleans in December of 1931.

The connection of Admiral Byrd with Pi Gamma Mu is a very interesting story. In October, 1927, he became a member at-large of the society and in January, 1928, Dr. Allen, founder of Pi Gamma Mu and at that time National President, appointed him a National Advisory Councilor. It is the purpose of this council to assist the national officers in the formulation of policies in the program of Pi Gamma Mu. Admiral Byrd accepted this office and has continued in it until the present.

In 1928, Dr. Allen had just designed a flag for Pi Gamma Mu. It was composed of a white and blue checkerboard of seventy squares, each two inches square. The colors were to symbolize light and truth and the checkerboard design was to connote the variety of human interests and the intricacy of social science honor. Dr. Allen asked Admiral Byrd to carry this flag with him that fall on his famous expedition to the Antarctic, which the Admiral did.

The purpose behind carrying this flag to the South Pole was to dramatize the spirit of adventure into the unknown and social science. Admiral Byrd's expedition was no mere voyage of discovery in the old sense in which explorers went out seeking what they might find, but was in the strictest sense a scientific expedition planned and equipped to investigate the geography, geology, meteorology, flora and fauna of the Antarctic Continent. As such, it typified on a truly grandiose

MISS NELL MARTINDALE

Miss Nell Martindale, in charge of Women's Physical Education at the College, is unusually busy at this season of the year directing the annual May Festival. This year Miss Martindale and her students will present "Peter Pan." The production will be staged May 11 and 12.

scale the activities of all true members of Pi Gamma Mu and of the Society as a body.

Admiral Byrd is not merely a natural scientist but in heart and spirit at least, a social scientist and tremendously interested in the practical application of social science to the problems of human nature.

The members of Pi Gamma Mu are to have supper together Friday evening, April 27 at the First Methodist church.

Mask and Gavel Club Shows Wide Range in Summary of Year's Work

(Continued From Page One) Inter-collegiate events sponsored by the organization have included full evenings theatre productions, College assembly programs, the extensive forensic activities, programs before high schools and churches and clubs of the district, and various radio-broadcasts from stations in Kansas, Nebraska and Iowa.

The Club was organized, originally as the Dramatic Club, in 1922. In 1929, with the formation of the Department of Speech under the leadership of Professor Orville C. Miller, an organization known as the Forensic Union with the members of the visiting Oxford University England, debating team as honorary charter members was formed to sponsor oratory, extemporaneous speaking and debating activities on and off the campus. In 1932 the Dramatic Club and the Forensic Union were merged and the new organization became known as the Mask and Gavel.

The Speech Council, which is the governing body of the Mask and Gavel and Pi Kappa Delta, has been composed for the current year as follows: President—Edward Morgan (Gallatin), Dale Brown Jr. (St. Joseph), Louise Bauer (Stewartsville).

Vice-President—Jean Patrick (Bethany), Louise Smith (St. Joseph), Carlisle Breckenridge (Turney).

Secretary—Louise Bauer (Stewartsville), two terms. Mary Elizabeth Barton (Oregon).

Treasurer—Louise Bauer (Stewartsville), Turner Bauer (Stewartsville), Elwood Huff (St. Joseph).

Programs—Jean Patrick (Bethany), Margaret McCrea (King City), two terms.

Forensics—C. J. Merrigan (Maryville), Leona Haselwood (St. Joseph), Dwight Dalbey (Clarindio).

Dramatics—Ford Bradley (Maryville), Buel Tate (Hamilton), Sarah Rowlett (Maryville).

Radio Speech—Mildred Momford (Westboro), three terms.

Thirty-Seven Apply For B. S. Degree; Three For the A. B.

Jones, King City, Mo.

Barkatze Summary

The Barkatze Pep Squad was organized in the fall of 1932 for the purpose of supporting the teams at the games and to aid in the creation of pep in general. Men and women are eligible to membership. There is no limit on the membership other than the regular student senate regulations. The club has a membership of sixty. Costumes are made up of green jackets with white lettering and white skirts and trousers.

The officers at the present time are: President, Lawrence Phelps, Cameron; vice-president, Patrick Dugan, Maryville, and secretary-treasurer, Eudora Smith, Maryville.

Mr. LaMar will give the high school commencement address at DeKalb, May 10, and the address at Mercer on May 18th.

Advertise in the MISSOURIAN.

Sigma Sigma Sigma Observes Founders Day With Banquet

(Continued From Page One) Ogden, Mrs. Emmett Scott, Mrs. H. H. Mutz, Mrs. Sam Smith of Mound City, the Misses Nell Hudson, Bess Todd, Grace Langan, Estelle Campbell, Roberta Cook, Helen Busby of Mound City, and Ruth Kramer of Jameson. Actives present were the Misses Helen Morford, Faye Sutton, Edra Kepdar, Margaret Humphreys, Bedonah Hallock, Charlotte Clapham, Jean Montgomery, Marceline Cooper, Virginia Gay Miller, Helen Kramer, Emma Ruth Bellows, Lucy Lloyd and Mildred Clardy, and pledges the Misses Louise Gutting, Ruth Strange, Medford McFall, Jacqueline Rush and Inez Daniels.

May Festival to Be Presented For Mothers on May 11

(Continued From Page One) dar. Following this little series, Tinker Bell will give a solo. After Tinker's bit of tripping sixteen insects will wend their way across the green. Perhaps one of the latest and most unusual dances is the Carrioca which will be danced by 12 couples.

The finale will be supported by the entire chorus of 200. Owing to the number in the cast this year, the size of the scenery and number of dances in the entire cycle this year's May Festival promises to be one of the most pleasing attractive productions that has appeared on the Campus.

A Large Variety of Courses Offered by Women's P. E. Dept.

The physical education department for women offers opportunity for wholesome physical exercise, remedial gymnastics, and extracurricular activities. To these ends a large variety of courses is offered. These courses, in addition to providing the opportunities mentioned above, constitute a very valuable source of teaching material. In the general gymnasium courses the activities include, gymnastics, dancing rhythm work. Individual and group sports such as base ball, tennis, swimming, basketball, hockey and soccer are taught in the sports classes.

The women's athletic association maintains an intra-mural program. Hockey, soccer, basketball, hiking, tennis, swimming, and baseball are offered. At the end of the school year the association awards sweaters to those girls who have earned thereupon number of points in these sports. The W. A. A. also has a cabin in the College Park where the meetings are held. The Cabin offers opportunities for many happy parties.

The annual May Fete represents the culmination of the years' activities. It is a dance drama including some 500-600 people. This year the May Fete is to be based on the story of Peter Pan. It will be given the 11th and 12th of May. An elaborate set is being prepared by the industrial arts department and the costumes promise to be even better than they were last year.

The student Y. M. C. A., an inter-denominational religious organization, which was organized on the College Campus here twenty-eight years ago, welcomes into its membership young men—all young men! Class rank has no barrier in the "Y." This year the membership stands at eighty-six. Many of these are freshmen.

The Y. M. C. A. is an old body. It was organized in London, England, in 1844, by Sir George Williams. The founder was knighted by Queen Victoria, and his body now rests in St. Paul's Cathedral in London. Fifty-six countries of the world have "Y" organizations.

The local "Y" was organized just as soon as the normal school was opened in Maryville. Bert Cooper was the first president.

Activities in the "Y" vary. The principal work is the gospel team enterprise. Since May, 1930, the gospel team has conducted one hundred church services in fifty-eight towns in

The organization maintains a club room and lounge on the first floor of the gymnasium where meetings are held bi-monthly. Pictures of winning teams and individual stars of the past number of years may be seen around the walls.

As a rule the "M" men endeavor to sit in a body at all athletic functions. They work in co-operation with the Physical Education Department for the promotion of physical training.

Each year the club plays a very active part in the annual High School Spring Contests. Almost every member is needed to run off the track meets of these contests. This year the "M" Club has taken over the task of organizing and having printed the Spring Contests Programs.

The Club works under the advisement of the coaching staff and the head of the Department of Physical Education. Officers of the club include a president, vice-president, secretary and treasurer.

Elections are held once every year and installations take place in the club room. Elmo Wright is this year's president of the "M" Club—A holder of major awards in three fields of sport and a natural leader, Elmo has served himself well in this capacity.

Any guests of the College during the Spring Contests that desire information of any sort ask a man that wears an "M." He knows.

Pi Gamma Mu

The Pi Gamma Mu, national honorary fraternity devoted to the social sciences, was founded at Winfield, Kansas, in 1914.

The Missouri Beta chapter was established July 29, 1927, at the Northwest Missouri State Teachers College, Maryville, Missouri.

The purpose of Pi Gamma Mu is the inculcation of the ideals of scholarship, scientific attitude, and method and social service in the study of all social problems.

The membership requirement is twenty hours of social science work with an S average.

During the past year Pi Gamma Mu has met jointly with the social science club. The present officers are President, Mary Hornbuckle; secretary and treasurer, Dr. Dildine.

Admiral Richard Evelyn Byrd was made the first Honorary National President at the national convention in New Orleans in December of 1931.

The connection of Admiral Byrd with Pi Gamma Mu is a very interesting story. In October, 1927, he became a member at-large of the society and in January, 1928, Dr. Allen, founder of Pi Gamma Mu and at that time National President, appointed him a National Advisory Councilor. It is the purpose of this council to assist the national officers in the formulation of policies in the program of Pi Gamma Mu. Admiral Byrd accepted this office and has continued in it until the present.

In 1928, Dr. Allen had just designed a flag for Pi Gamma Mu. It was composed of a white and blue checkerboard of seventy squares, each two inches square. The colors were to symbolize light and truth and the checkerboard design was to connote the variety of human interests and the intricacy of social science honor. Dr. Allen asked Admiral Byrd to carry this flag with him that fall on his famous expedition to the Antarctic, which the Admiral did.

The purpose behind carrying this flag to the South Pole was to dramatize the spirit of adventure into the unknown and social science. Admiral Byrd's expedition was no mere voyage of discovery in the old sense in which explorers went out seeking what they might find, but was in the strictest sense a scientific expedition planned and equipped to investigate the geography, geology, meteorology, flora and fauna of the Antarctic Continent. As such, it typified on a truly grandiose

MISS NELL MARTINDALE

Miss Nell Martindale, in charge of Women's Physical Education at the College, is unusually busy at this season of the year directing the annual May Festival. This year Miss Martindale and her students will present "Peter Pan." The production will be staged May 11 and 12.

scale the activities of all true members of Pi Gamma Mu and of the Society as a body.

Admiral Byrd is not merely a natural scientist but in heart and spirit at least, a social scientist and tremendously interested in the practical application of social science to the problems of human nature.

The members of Pi Gamma Mu are to have supper together Friday evening, April 27 at the First Methodist church.

Mask and Gavel Club Shows Wide Range in Summary of Year's Work

(Continued From Page One)

Inter-collegiate events sponsored by the organization have included full evenings theatre productions, College assembly programs, the extensive forensic activities, programs before high schools churches and clubs of the district, and various radio-broadcasts from stations in Kansas, Nebraska and Iowa.

The Club was organized, originally as the Dramatic Club, in 1922. In 1929, with the formation of the Department of Speech under the leadership of Professor Orville C. Miller, an organization known as the Forensic Union with the members of the visiting Oxford University England, debating team as honorary charter members was formed to sponsor oratory, extemporaneous speaking and debating activities on and off the campus. In 1932 the Dramatic Club and the Forensic Union were merged and the new organization became known as the Mask and Gavel.

The Speech Council, which is the governing body of the Mask and Gavel and Pi Kappa Delta, has been composed for the current year as follows: President—Edward Morgan (Gallatin), Dale Brown Jr. (St. Joseph), Louise Bauer (Stewartsville). Vice-President—Jean Patrick (Bethany), Louise Smith (St. Joseph), Carlye Breckenridge (Turney). Secretary—Louise Bauer (Stewartsville), two terms. Mary Elizabeth Barton (Oregon). Treasurer—Louise Bauer (Stewartsville), Turner Bauer (Stewartsville), Elwood Huff (St. Joseph). Programs—Jean Patrick (Bethany), Margaret McCrea (King City), two terms.

Forensics—C. J. Merrigan (Maryville) Leona Haselwood (St. Joseph), Dwight Dalbey (Clarindio). Dramatics—Ford Bradley (Maryville) Buel Tate (Hamilton), Sarah Rowlett (Maryville).

Radio Speech—Mildred Momford (Westboro), three terms.

Barkatze Summary

The Barkatze Pep Squad was organized in the fall of 1932 for the purpose of supporting the teams at the games and to aid in the creation of pep in general. Men and women are eligible to membership. There is no limit on the membership other than the regular student separate regulations. The club has a membership of sixty. Costumes are made up of green jackets with white lettering and white skirts and trousers.

The officers at the present time are: President, Lawrence Phelps, Cameron; vice-president, Patrick Dugan, Maryville, and secretary-treasurer, Eudora Smith, Maryville.

Mr. LaMar will give the high school commencement address at DeKalb, May 10, and the address at Mercer on May 18th.

A Large Variety of Courses Offered by Women's P. E. Dept.

The physical education department for women offers opportunity for wholesome physical exercise, remedial gymnastics, and extracurricular activities. To these ends a large variety of courses is offered. These courses, in addition to providing the opportunities mentioned above, constitute a very valuable source of teaching material. In the general gymnasium courses the activities include, gymnastics, dancing rhythm work. Individual and groupe sports such as base ball, tennis, swimming, basketball, hockey and soccer are taught in the sports classes.

The women's athletic association maintains an intra-mural program. Hockey, soccer, basketball, hiking, tennis, swimming, and baseball are offered. At the end of the school year the association awards sweaters to those girls who have earned therequired number of points in these sports. The W. A. A. also has a cabin in the College Park where the meetings are held. The Cabin offers opportunities for many happy parties.

The annual May Fete represents the culmination of the years' activities. It is a dance drama including some 500-600 people. This year the May Fete is to be based on the story of Peter Pan. It will be given the 11th and 12th of May. An elaborate set is being prepared by the industrial arts department and the costumes promise to be even better than they were last year.

The student Y. M. C. A., an interdenominational religious organization, which was organized on the College Campus here twenty-eight years ago, welcomes into its membership young men—all young men! Class rank has no barrier in the "Y." This year the membership stands at eighty-six. Many of these are freshmen.

The Y. M. C. A. is an old body. It was organized in London, England, in 1844, by Sir George Williams. The founder was knighted by Queen Victoria, and his body now rests in St. Paul's Cathedral in London. Fifty-six countries of the world have "Y" organizations.

The local "Y" was organized just as soon as the normal school was opened in Maryville. Bert Cooper was the first president.

Activities in the "Y" vary. The principal work is the gospel team enterprise. Since May, 1930, the gospel team has conducted one hundred church services in fifty-eight towns in

twenty-three Missouri and Iowa. The team has traveled over 2,000 miles and has appeared before approximately 21,000 persons. This record established by the O. M. C. A.

Present officers are: George Walter Allen, president; Leland Thornhill, vice-president; Buel Tate, secretary; Harry Thiesfeld, treasurer.

Spring Contests

With a record breaking attendance the 1934 spring contests opened yesterday. Over twenty-five students from high schools in west Missouri registered for the tests in track, field, dramatic and contests. This number represents eighty-four schools in this district. Although rain threatened the parts of the contests on Wednesday it had cleared away by 1 day morning.

With the following schools in part the events got under way in order.

7 Will Compete in Tennis Meet at College Here

Drawings Are Made in Both Boys' and Girls' District Tournament.

Ninety-seven students from Northwest Missouri high schools are entered in the tennis tournaments that will start at 8 o'clock Friday morning on the college courts. Drawings have been made, it was announced today by Albert Barrett, who is managing the tournament. He will be assisted by Kirby Bovard.

Names of all the entries will not be known until the contestants appear in elimination tournaments being held in some of the schools when the entry blanks were filled out for the spring contests.

There are ten entries in both the boys' singles and doubles.

The drawings for the girls' singles:

First Round

Fillmore vs. Central, St. Joseph and Chillicothe vs. Maryville.

Second Round

Fillmore-Central match vs. Jallatin.

Graham vs. Westboro.

Tarkio vs. Liberty.

Rock Port vs. winner Chillicothe-Maryville match.

Girls Doubles.

Graham, bye.

Liberty, bye.

Westboro vs. Pattonsburg.

In order that more students may take part in the tennis tournament, an individual may not enter more than one event and thus a player in a single match cannot compete in doubles. Matches will be settled by the best two out of three in preliminaries and finals.

Debate Summary For

This Year Shows a

Comprehensive Gain

(Continued From Page One)

National colleges from these states and Minnesota and Iowa engaging in twenty-two debates. Mr. Morgan also made the trip early in the season to Kansas State College for the radio debate with that institution.

The only others honored by the coveted membership of Phi Kappa Delta, who are at present on the campus, are President Uel W. Lamkin, honorary, and Earl W. Mounce, Chairman of the College Department of Commerce.

College Band in Assembly

Concert Tomorrow Morning

The State Teachers College band, directed by Maurice Wright, will give a concert at 10 o'clock Wednesday morning at the weekly College assembly hour.

Following is the program:

March, "El Capitán," (Souza).

Selections from "Robin Hood," (De-Koven).

"Humoresque," (Dvorak).

Grand march, "La Regina," (Gounod).

March, "Second Regiment," (Hall).

March, "Frontier Echoes," (Watson).

Waltz, "Wedding of the Winds," (Hall).

Serenade, by Missud.

March, "American Patrol."

March, "Stars and Stripes Forever," (Souza).

Alumni Item

Glenn S. Duncan, B. S., '32, will be teacher of manual training and mathematics at Sikeston, next year. While in school Mr. Duncan, whose home is at Excelsior Springs, was a leader in many student activities while in College. He was a member of Phi Kappa Delta, Y. M. C. A., Alpha Phi Sigma, and the college debate teams. Mr. Duncan was a member of the debating team at Oxford, England, and represented the College at the oratorical contest, and was remembered as

Bearcats in Tie For Third in Half Mile Relay Race

Run Distance in 1:20.9; Neil Ruled Out of 100-Yard Dash.

While the seven-man Bearcat track and field team scored only a tie for third in the half-mile relay at Lawrence Saturday, they ran both the race and the mile relay in better time than they had ever run either before.

The half mile team of Stubbs, Scott Adams and Neil won their heat easily. The other teams entered were Simpson, Washburn, and McPherson. Stubbs ran the fastest 220 of his life according to Coach Wilbur Stalcup, to give the Maryville team a good lead. Scott and Adams breezed on around and Neil came on in. Their time was 1:20.9, a figure Stalcup thinks could have been cut considerably if they had been pushed.

The Emporia teachers, running in a fast heat, negotiated the distance in 1:28.0, thus bettering the Bearcats' time by nearly two seconds.

Stubbs, Neil, Grey and St. John ran the mile relay in 3:27.8, their best time to date, but not good enough by ten seconds to win.

Bearcat fans were disappointed to learn that Neil was ruled ineligible for the 100-yard dash. Neil is a Freshman and was ruled out for that reason. He had drawn a place in the same heat with Ed Hall, Big Six champion, and Cooley of Missouri. Adams was entered in place of Neil, and placed fourth. Cooley won the heat in 9.8 with Hall second.

Stubbs was third in his heat in the 100. Crooms, Emporia Negro, won this heat in 9.9, with Wallinger of Texas U. second. Stubbs led the race for the first 80 yards but faded a little toward the end and finished a step behind the winners.

Rulon, the Maryville entrant in the javelin, chucked the spear 180 feet, but the competition, here as elsewhere, was very tough. In fact the first man up, Ripper of Iowa, threw the spear 206 feet 5 inches on his first try.

There is some doubt about the Bearcats going to the Drake Relays this week-end. The district high school meet will be held here at that time and it may be difficult for them to get away, Coach Stalcup said.

Value of Home Economics Explained by a Student From College High Dept.

A summary of Home Economics and what it means to those who have come in contact with it is well presented in an article written by a College High School girl connected with that department. The article was submitted to the Missourian by Miss Hettie Anthony as the departments message to the visitors who are on the campus this week end and to those who read the paper in the field. The article:

"What Home Economics Means to Me as a High School Student."

Home Economics means to me as a High School Student, how to live and be happy. It is even more than this. It serves as a back ground for our future life.

As Home Economics students, we have four big aims.

(1) Health. We learn to prepare and eat the right kind of food and care for our body in such a way that we are healthy.

(2) Worthy Home Memberships. We are able to get along with our friends and associates, so that they enjoy our companionship.

(3) Vocation. Choosing the vocation to which we are best adapted.

(4) Worthy Use of Leisure Time. Spending our time in the way which is most beneficial.

Home Economics means to me even more than words can express. Any girl who takes Home Economics and puts forth effort is sure to gain things which she will treasure all her life.

Miss Anthony, chairman of the Home Economics Department of the College, mentioned that courses in Home Economics will be offered this summer that will be a help not only to Majors and Minors in Home Economics but to all persons interested in better homes and better living.

Jean Patrick of Bethany is general chairman of the committee in charge and is assisted by the following chairman of sub-committees: Grace Helen Godson, orchestra; Margaret Maxwell, programs; Erna Walker, decoration; Sarah Frances Rowlett, invitations.

The following girls have recently been selected to hold office through next year:

President—Georgia Schults, Oregon.

Vice-President—Jean Patrick, Bethany.

Secretary—Margaret Turney, Forest City.

Pi Gamma Mu Banquet

Pi Gamma Mu, national honorary social science fraternity, will have its annual dinner Friday evening, April 27 at 6 o'clock. The dinner will be served at the South Methodist church.

A short program will follow the dinner. Tickets may be obtained from Dr. Dildine or any member of the organization.

Miss Hudson, Registrar of the College, recently had a letter from Miss Gladys L. Criswell, a graduate of the College and a former member of the faculty of the Department of Speech, who has been teaching in Cincinnati, Ohio. Miss Criswell is now very busy doing more graduate work at the University of Iowa at Iowa City. Recently she played one of the leading roles in "Another Language," a three act comedy drama, by Rose Franken. Miss Criswell played the part of Mrs. Hal-

L. B. Conway, A. B., 1925, B. S., '32, has recently been elected superintendent of schools at Burlington, Junction. Mr. Conway, who is now superintendent at Paynesville, formerly taught in the state of Washington and for several years was superintendent of schools at Barnard. Mrs. Conway, the former Miss Gertrude Belt, B. S., '25, taught music in the Lincoln, Nebraska Public Schools, and for three years was teacher of Public school music at Barnard.

Lawrence Knepper, a former student who has been teaching the Champion Hill school near Parnell, was at the College last Saturday. Mr. Knepper, who plans to be in school here this summer, will teach the York School, east of Tarkio, next year.

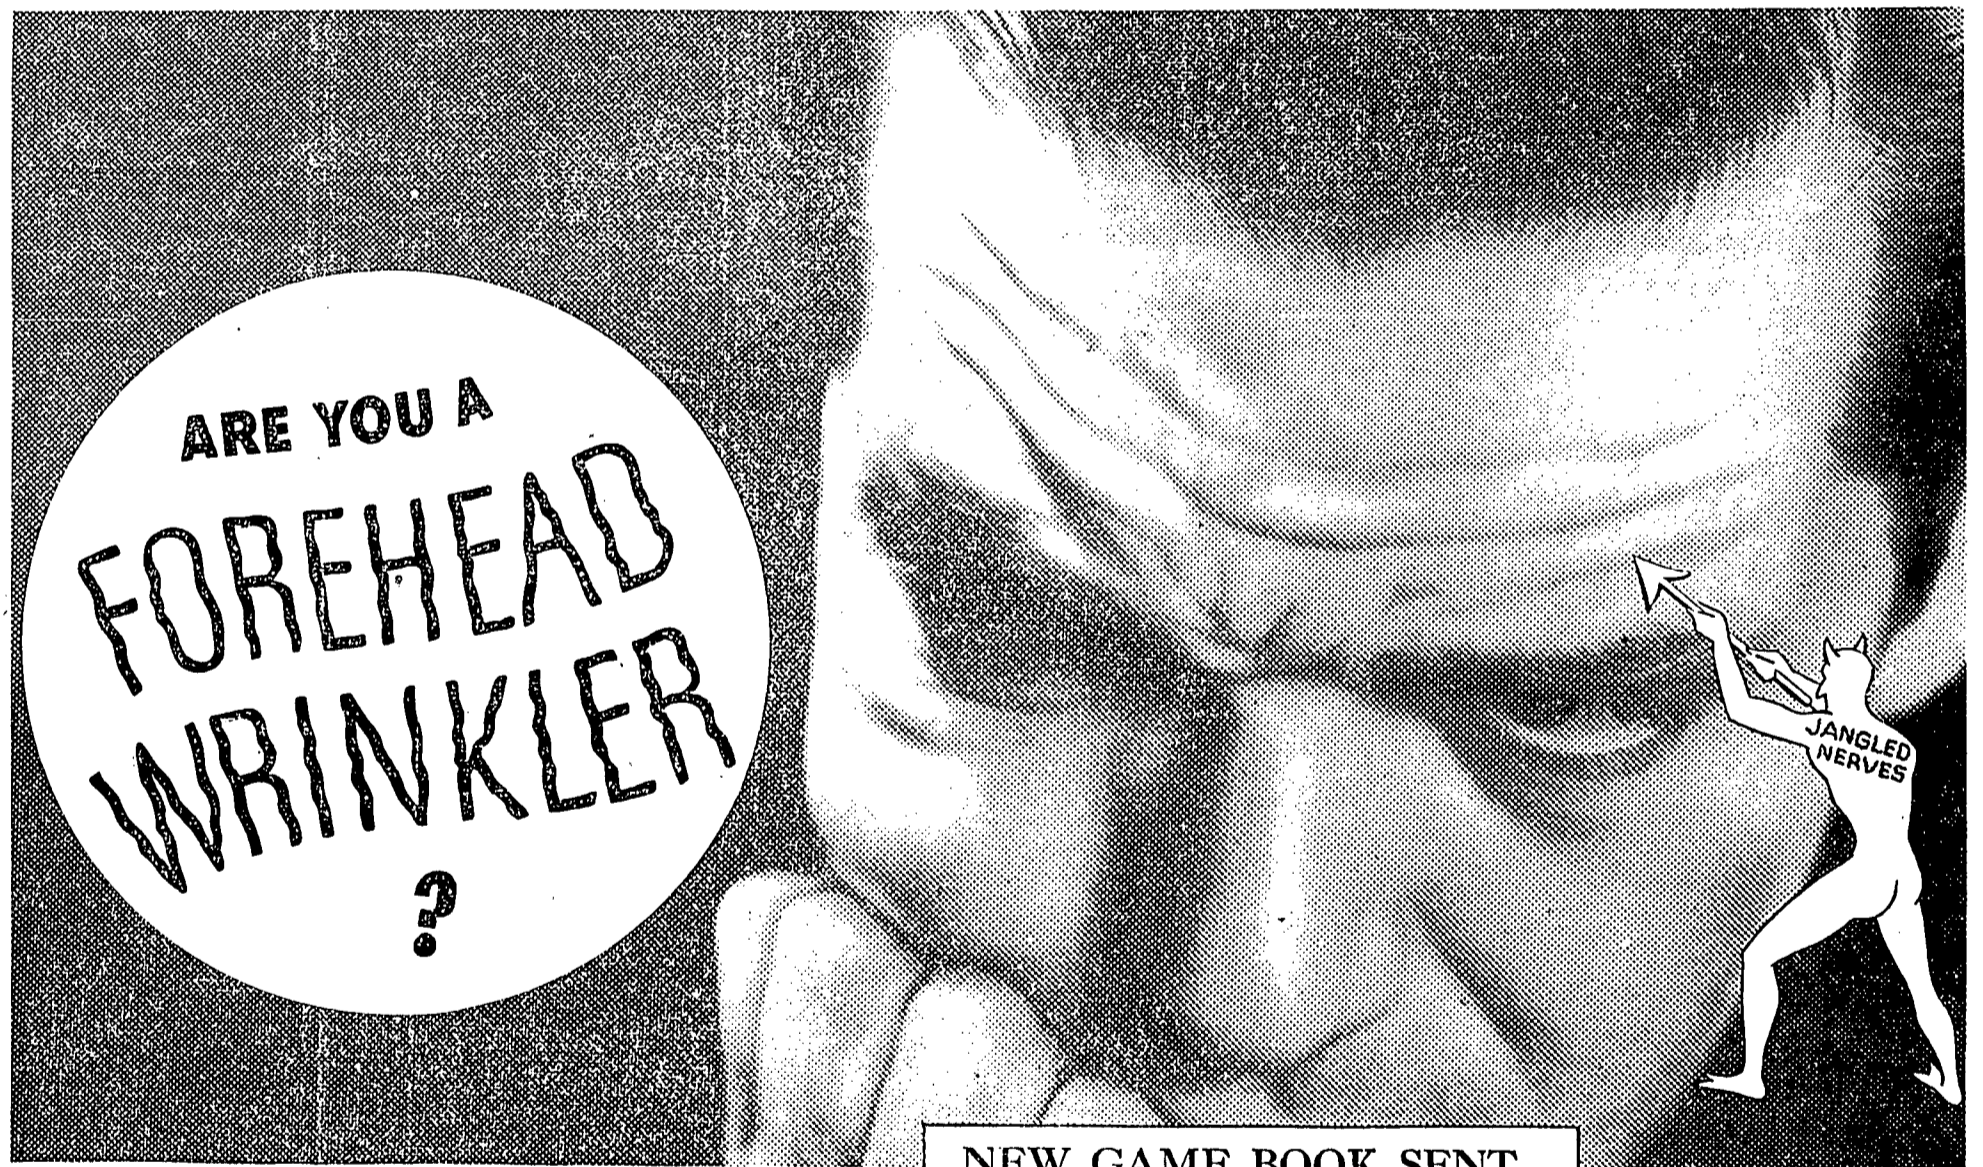

A letter from Claud Trower, B. S., '29, to Mr. Phillips, chairman of the Education Department, contains information which should be of interest not only to Mr. Trower's friends but to teachers and educators in general. Mr. Trower has been given a three year contract as superintendent of schools at Altamont. His teachers have been re-employed and given an increase of ten dollars a month salary and his janitor a five dollar a month increase in pay for the coming year. This year he levy for schools in that consolidated district carried by a vote of fourteen to one. Mr. Trower served as superintendent of schools at Aleamont for three years and then went to Coffey as superintendent during the years 1931-'32 and 1932-'33. This year he returned to Altamont.

On account of the Thomas Jefferson birthday anniversary holiday last week several former students of the College used the opportunity to visit friends at the College. Among those who came were the following: Miss Neva Bruce, B. S., '32, now second grade teacher at the Sutton School in Maplewood; Miss Ruth Miller, B. S., '33, now teaching primary and kindergarten work in Maplewood; Miss Faly Deffenbaugh, B. S., '33, now teaching intermediate grades at Webster Groves; Miss Hettie Mae Woodward, teacher of music and art in the Richmond Heights elementary school in Maplewood; and Miss

Marie Price Hull, now teaching at the West Richmond School in Maplewood. All of these young ladies, who were active in school and campus organizations and programs, are well known in the College and Maryville and have many friends here.

President Lamkin has named Miss Mattie M. Dykes, of the faculty of the English Department, Mr. C. James Velle, chairman of the Music Department, and Dean Sharley K. Pike for the committee on College commencement arrangements for this year.

ATTEND COLLEGE HERE NEXT FALL

Jangled nerves show in your face

Of course you don't want to look older than you are. That's one reason it's so important to watch your nerves.

For remember, jangled nerves can mark your face indelibly with lines.

It doesn't pay to take chances with your nerves. Get enough sleep—fresh air—recreation. And make Camels your cigarette.

Smoke all the Camels you want. Their costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

CAMELS

NEW GAME BOOK SENT FREE!
